

Tym Agnes Peter

We are in Brazil :)

August and September full of reunions, contacts, **family**, friends and visits to **churches**. And, of course, a few extra pounds: D
We are living in Goiás and we intend to stay here until the **baby is born**. Then we would like to visit family **in the south** and friends and brothers **elsewhere in Brazil**. Thank you for your prayers and support! God has responded and taken care of us. We want to serve, thank, learn and grow (literally increase the family hehe) in this time of Brazil! We will spend **a week in Brasilia now** in October. Look forward to seeing loved ones there! This month also, Tym will start a **specialization** at [CEAM](#) in [EAD](#) system .

Guinea-Bissau in our minds and hearts

Even distant geographically, we remain **connected to our team** in Guinea. Tym's parents need our prayers amid so much struggle and joy! We have publicized **the needs of the Mission and NGO** by the Churches we have visited here in Brazil. And we believe that He has raised up intercessors and new partners.

"Children are an inheritance of the Lord, a reward he gives. Like arrows in the warrior's hands are children born in youth. How happy is the man whose quiver is full of them! He will not be humiliated when he faces his enemies in court."

-Solomon.
