

## **Tym and Agnes**

We are traveling 

and our next stop is Brazil!

Last month we left Guinea-Bissau for Clarkston, a small town in the state of Georgia in the USA. We were welcomed by our missionary colleague Travis and his family. We were able to catch up and spend quality time together, as we hadn't seen each other since the pandemic when they went back to the US. We are grateful to the Lord for this dear family and for the opportunity to come to the US since it is also part of our family history.

The couple is serving in an organization based in a community with many refugees from different countries. A community garden is one of the community development projects and Tym has been able to help with that work.

We had the opportunity to meet some brothers in Christ from Nepal and Sudan who have lived here for many years. We were welcomed into this sister's home.

We have had a few productive weeks here of work, sightseeing, rest, and sharing about the missionary project. We are grateful to the brothers who warmly welcomed us into their communities and for the opportunity to share what the Lord has been doing in Quebo and the surrounding area.

We miss our brothers and friends in Guinea-Bissau and hope to see them again soon. Tym's parents stayed in

Quebo along with a missionary couple, a Brazilian couple who is there for six months, and a Brazilian missionary family who is there until July. There are also two brothers in Christ in the capital studying higher education and a Guinean missionary couple serving in a remote village. Our desire is to return home later this year.

## **Pray with us**

- for the remaining days here. May the Lord continue to keep us safe and open doors;
- for Agnes' pregnancy (27 weeks, 6 months) and childbirth;
- for the trips we still have left. Stops and visits until we arrive in Anápolis, GO, on May 12th;
- we ask the Father for our brothers in Christ and missionary colleagues in Quebo and all the work of the Church, schools and project;
- we are grateful to the Lord for another year of Peter's life. We were able to celebrate his seventh birthday in Quebo, Bissau and Clarkston!
- we are grateful to the Father for providing the finances for airplane tickets. We thank everyone who helped in this regard
- WE ESPECIALLY THANK OUR MONTHLY PARTNERS FOR THEIR FAITHFULNESS AND COMMITMENT TO SUPPORT US
- AS WELL AS THE BROTHERS WHO CONSTANTLY INTERCEDE FOR US IN PRAYER!
