The Lord has been faithful. His people have given. We are filled with joy.

Thank you for partnering with us here at Hope Remembered to see the Gospel spread and communities transformed in Guinea Bissau.

Pool Project received **more than $4000** to help complete the project with solar panels and a well.

Student Sponsorship program currently has 9 students sponsored for tuition and books. **That is nearly $4500** to change the life of these students. To find out more about sponsorship opportunities visit our website.

Medical outreach program **will receive $1600** which will go a long way to help our medical missionary family transition full time to the bush in GB to construct a full time medical clinic.

Our foster home project led by a local Guinean missionary couple **just received $3500** to complete phase one of the construction of a foster home to house 6 foster children.

A huge thank you to each of you who sold or purchased ornaments through our partnership with Ornaments4Orphans. We were able to sell around **700 ornaments**!

As we end this year at Hope Remembered we are grateful to each of you who gave of your time, talents, and financial resources to this work.

Would you **prayerfully consider giving to our general fund needs** with your end of year giving? Because we give 100% of every donation to our projects and field partners in Guinea Bissau, our general fund is behind to cover our expenses over the next year. No salary is paid out of this fund; it simply covers the cost of running the non-profit here in the States. **Our goal for general fund giving is $4,000**.

As we enter into this New Year we look expectantly to what the Lord has in store!

If you haven't visited our new website we encourage you to do so! We are very thankful for an investor who is covering the expenses of building a new site. http://www.hoperemembered.org
