Hope Remembered has lots of exciting news to share in this update! We hope you enjoy the pictures with updates and are thanking God with us for all He is doing through the lives of His people in Guinea Bissau.

Gracious is the LORD, and righteous; our God is merciful. Psalm 116:5

Hope Remembered is mobile! We are excited and thankful for this "new" set of wheels as we work in GB. The roads are terrible and a 4 wheel drive is a must. An extra bonus is the back seat to carry more passengers. For those of you who support Travis, thank you for making this purchase possible!

The foster home is officially under construction! Jeremias (pictured above) is our Guinean missionary who is relocating with his wife and daughter from the capital, Bissau, to the bush, to serve a Papel village. The first phase of this transition is a foster home that will be our "home base" in the area. The villagers are excited and are helping with each phase of the process. Jeremias has been reaching this village with the Gospel for a couple of years now and we are very excited to see the Lord move his family to full time ministry.

WATER! Maritza and many others have worked for more than three years to see this dream become a reality. This pool will serve the Casa Emanuel Orphanage. For the first time, these children who live at Casa, were able to leave behind the orphanage walls and just be kids. Their joy at the simplest pleasure is a treasure. Pray with us that we can resolve the well/filter issues so that less sand enters the pool when being filled. Thank you for giving to get this far!

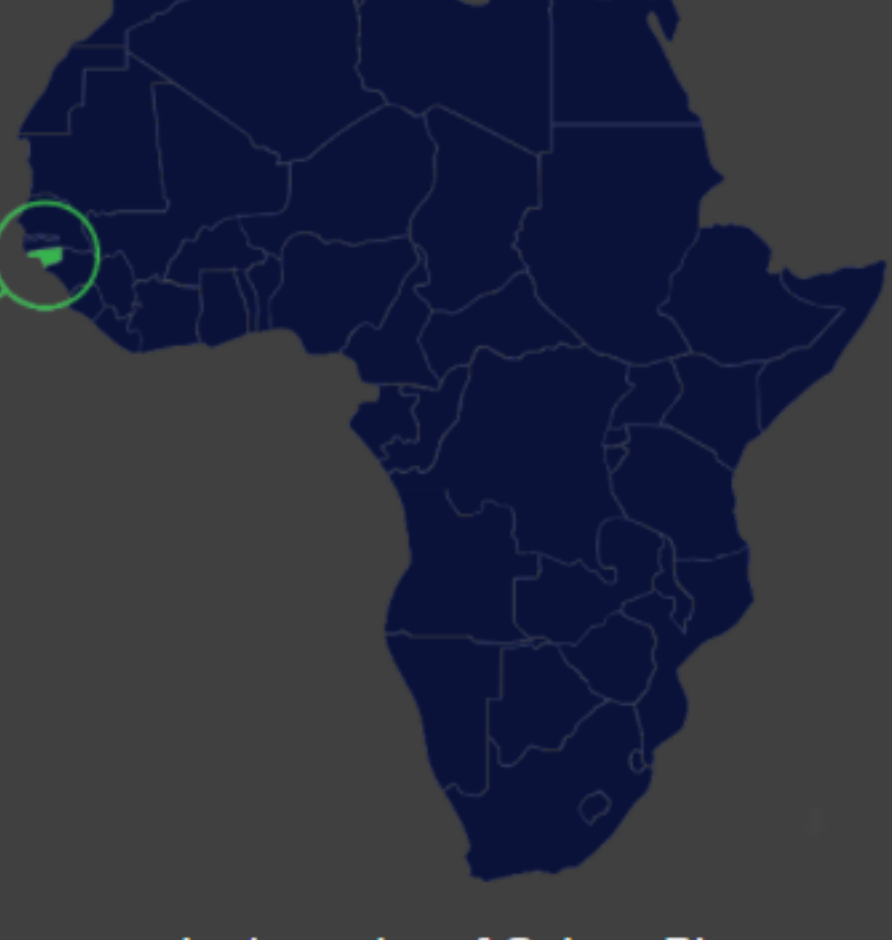

Our Argentinian partners, Juan and Flavia, are preparing to return to Guinea Bissau. For the first time in over 5 years, the Gomez family was able to return to Argentina on furlough. They are currently making plans and raising funds to move full time to serve the Fula Muslims in the most remote area of GB. Pray for them as they move to the bush to set up a full time medical clinic and disciple the 6 new believers in the area to reach their own people with the Gospel. We are currently raising funds to help establish their work full time among the Fula.
