And let the beauty of the Lord our God be upon us, and establish the work of our hands for us. Yes, establish the work of our hands. Psalm 90:17

The rainy season has yet to make it to Guinea Bissau but the Hope Remembered test garden is flourishing!

Travis, Fredy, and the boys are growing okra, spinach, tomatoes, moringa, squash, cucumber, peppers, papaya, beans, and potato.

Local villagers met with Fredy to learn about the garden and the techniques to see if they are interested in learning more.

Pray that they would see the potential in this and that it would create opportunities to work alongside these families in the future. They are all Fula Muslims.

We would love to connect with our supporters and prayer partners face to face! It is a passion of mine (Grace) to share what the Lord is doing both locally and globally for His kingdom. Contact me to set up a time for us to share with your group. We have pictures, videos, stories, and artifacts from Guinea Bissau to share our work in Guinea Bissau.

In the month of May Hope Remembered took a huge step toward a full time base in Guinea Bissau! We are currently raising \$1500 which will purchase land where Travis and Sarah will build a home, a base for future teams, and a garden training area.

Prayer and Praises in May

Quinn and Jess arrived in Guinea Bissau and will spend three weeks with Travis and Sarah. Pray for their time together and for wisdom for future partnership.

Pray for the rains to come to Guinea Bissau. We are thankful our test garden is doing well but many in GB suffer with hunger and lack of water especially during the dry season.

Praise the Lord He has provided land for purchase in Guinea Bissau. Pray with us that the process would go smoothly and that our NGO paperwork is finalized in June.

Praise the Lord for the partners He has provided that support Hope Remembered in prayer and financially. Pray for more opportunities to share with others what the Lord is going in Guinea Bissau.

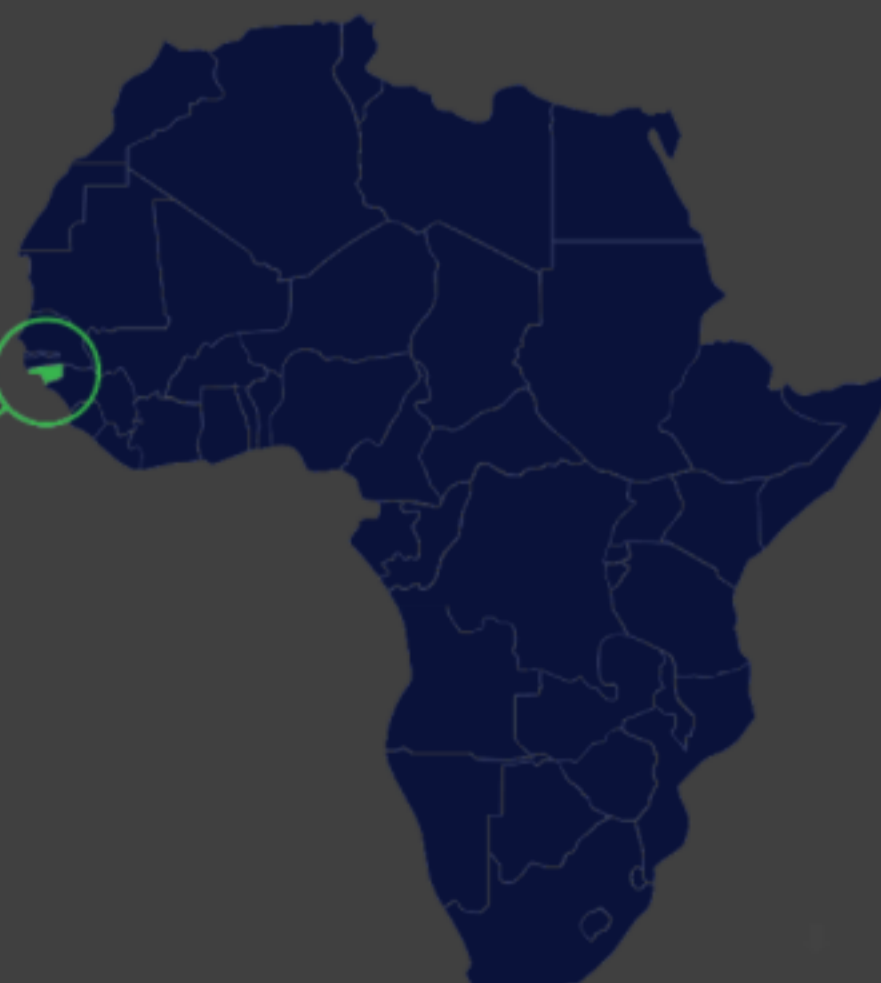

Pray for Sarah, Jess, and Quinn as they travel back to the U.S. mid June. Pray for Travis as he finishes out the rest of the summer in Guinea Bissau.
