

2017 for Hope Remembered was a year of change. We are praising the Lord for the many ways He moved and worked among His people in Guinea Bissau. We are grateful and humbled that He would choose to use our hands and feet to carry His Good News to the unreached people of Guinea Bissau. Here are just a few of the highlights of 2017. Join us in praising the Lord!

- Travis and Sarah moved full time to Quebo, Guinea Bissau
- Travis and Sarah built their home that you fully funded
- Tym and Agnes joined HR as full time missionaries in Quebo
- You fully funded monthly medical outreach to the remote Fula people
- We purchased land for a full time ag center in Quebo
- We dug a well in Quebo
- A new church plant and school expansion in Guiledge with partner Fredy
- A new church plant and pre-school in Bissau with partner Jeremias

Below is the breakdown of how we used the financial resources the Lord provided through your generous giving in 2017.

As we journey through 2018, our main focus will be on the construction of a home for Tym and Agnes in Quebo, and developing the full time agriculture training center. Things move slowly in Guinea Bissau, so we want to be intentional with our projects and how we can best reach the people with the Gospel in Guinea Bissau.

Thank you for partnering with us to serve the unreached peoples of Guinea Bissau. We are grateful and humbled.

When you give to Hope Remembered, you can give with confidence. We have the highest rating possible with GuideStar, proving our commitment to financial transparency.
