

hope  
remembered

Only a few more weeks until we move to Guinea-Bissau! The last few months we have enjoyed traveling to meet with partners and share about our ministry with different churches. We've also spent time with family. The above picture is with Travis's sister Grace and her family. We wish we had been able to visit all of you. It's been such a blessing to get to know some of you better and pray with you. We can't express how grateful we are for our relationships with you. Please let us know how we can be praying for you.

Though it is sad to say goodbye, we are excited to finally settle down and build a home in Quebo, Guinea-Bissau. We are anxious to form relationships with the people and learn from them while sharing Christ's love with them.

We leave March 8th and should arrive in Bissau on the 10th. We are blessed to have a place to stay while our house is being built. Some of the locals have been making mud bricks for our house and are digging a well. Once we get there we will burn the bricks to harden them as shown in the picture below so that they will be ready for construction.

As we are preparing to leave we are trying to make sure we have all of our finances in order. If you plan to partner with us financially it would really help us to know before we leave. To do so you can click on the donate button below or send a check made out to Hope Remembered to P.O. Box 5 Fosters, AL 35463 with a separate note that says "Lacy staff support." If you have any questions feel free to respond to this email and we will be happy to help.
